Dear Supervisors:

IT IS RECOMMENDED THAT YOUR BOARD AS THE GOVERNING BODY OF THE CONSOLIDATED SEWER MAINTENANCE DISTRICT OF LOS ANGELES COUNTY:

Approve the enclosed request for Appropriation Adjustment to release \$310,000 of Appropriation for Contingencies from the Consolidated Sewer Maintenance District (District), Fund GA9, to provide funding and appropriation for the operation and maintenance of the sewer collection system.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommendation is to provide funds for the continued operation and maintenance of the sewer collection system.

Due to unanticipated costs for upgrading fuel stations and underground fuel storage tanks at several sewage pump stations, to bring them in compliance to current regulatory requirements, additional appropriation is needed to finance the costs for operation and maintenance of the sewer collection system through the remainder of Fiscal Year 2003-04.
